So you say you'd be as good as any pro if you could just throw as far as they do. Come prove it! Everyone can reach these holes!!!

What's that you say? The only way to get a birdie is to get an ACE!?? Just about!

Hey! Approach and putt is my game! This will be a real "turkey shoot." Figuratively speaking, I hope.

Three rounds of 18 - 54 par-2 holes! Two pools!! Built in! Ace + Consecutive Pars!  
Separate divisions - PRO, ADV, INT, NOVICE (If 3+ per division) ... But will you step UP???

Compete against the Big Dogs, their long drives won't matter.

Cash pay-out to all divisions.
