

Top Of The Pines Disc Golf Tournament

Birdies For Charity Challenge

The Top Of The Pines Disc Golf Tournament held at Wood land disc golf course is Pinetop's biggest Disc golf event - and thanks to Birdies for Charity, it's also the fast, easy and fun way to raise money for our chosen charity organization, The White Mountains Autism Foundation! Birdies for Charity is an opportunity for your organization to connect with local charity needs while tapping into the excitement of Eastern Arizona's top PDGA TOUR disc golf tournament. 100% of the funds you raise through pledges go directly to help fight autism and support those who suffer from autism in the White Mountains. It's one golf tournament where everybody wins!

Birdies for Charity is like a walk-a-thon, but instead of donating per mile, donors make a pledge for every birdie made at the Top of The Pines Disc Golf Tournament. Donors have the flexibility to pay in advance or to be billed after the tournament, and they also may make a one-time donation. All donors exceeding a \$20 donation will be entered into the Birdies For Charity challenge, where you have one guess at the total number of birdies that you think will be made during the tournament! The Winner (or closest to) will receive a \$100.00 Gift card!!

Last year, the Players shot 612 birdies during the tournament. We expect between 500 -700 birdies to be made this year through 63 holes of play.

Example: If 700 birdies are made during the 2013 event:

- 1 cent pledge = \$7.00 total pledge
- 3 cent pledge = \$21.00 total pledge
- 5 cent pledge = \$35.00 total pledge
- 10 cent pledge = \$70.00 total pledge
- 25 cent pledge = \$175.00 total pledge
- \$1.00 pledge = \$700.00 total pledge

Business/Name _____ Ph# _____

Mailing Address _____ City/State _____ Zip code _____.

This is my pledge: (Circle one) .03 cents .05 cents .10 cents .25 cents \$1.00

One time minimum Pledge \$20.00 Or other \$ _____.

This is my guess on total amount of birdies that will be made: _____.

To be filled out by tournament director:	
Pledge amount _____ x Birdie Total _____	= \$ _____
